What Do You Do For A Living?

financewithsharan Edited • 14w
Collab | What would working for yourself look like??

[@odoo.official](#) can help you find out.

Use Odoo's Ecommerce builder to setup your storefront, and kickstart your dreams.

! Disclaimer : I do not advocate quitting your job before your business is mature. You can start your side hustle today at a very low cost without quitting your job. If the side hustle works out then quit your job if you wish to.

[Odoo, finance with sharan, business, startup, ecommerce, art, artist,
