I started out my career as a 'fashion blogger' back in 2011 with a goal to spotlight local boutiques from Bandra. This one's extra special because I used to be the biggest shopper and fan of the way some of the local entrepreneurs curated their collections! So for the next time you're in the neighbourhood, you have to check out Villa By @fuss_pot! Nisha and Rachna have curated their new boutique with so much love, it shows. And their little puppy that welcomes you in is a cherry on the cake!
